

Greenwich Catholic School
Sports Teams
Permission to Travel

(revised 09/09)

The Athletic Department of GCS has two school vans that may transport the student athletes to away games. The vans will be driven by drivers who have passed the State of Connecticut licensing requirements. However, not every team will have the use of the van for every away game due to the demands of the various teams' schedules. Therefore, parent volunteer carpool drivers will be necessary to transport athletes to some away games. The form below gives your permission for your child to either take the school van to away games or to be driven by a parent volunteer carpool driver.

Please sign and return this form to the Athletics Committee. If your child does not have this form on file, he/she will not be able to participate in any away games. Thank you for your prompt attention to this matter.

I, _____ (parent or guardian's name), give my permission for my child, _____, to ride in the school van and/or with the volunteer parent carpool driver for transportation to away games during the _____ (name of sports team) scheduled season.

The school is not liable for the transportation in parents' cars. Carpooling is a service that parents must request and is an agreement between parents.
